Primary Election

Absentee Ballot Requests For
Tuesday, August 11, 2020

The polls will be open 7AM to 7PM but if you would like to vote by absentee ballot, please go to <https://myp.vermont.gov/> to request an absentee ballot. This **MUST** be requested no later than Wednesday, August 5th in order for the ballot to be mailed to you and returned to the Town Office by August 11, at 7 PM.

Please remember that the US Postal Service is handling much more mail than normal during this time, so it is taking longer for items to be delivered.

You may also request a ballot from the Town Clerk by calling 802-484-7250.

12th Reading Area Community Blood Drive

Wednesday, July 15, 2020

Time: 1:00 PM - 06:00 PM

Site: Mt. Ascutney Holiday Inn & Resort

There will be special precautions in place to prevent the spread of the virus.

Go to www.redcrossblood.org, sign in, and sign up for zip code 05037.

If you have any questions or concerns, call 1-800-RED-CROSS (1-800-733-2767).

THANK YOU! Lani Wadelton

Address: 485 Hotel Drive, Brownsville, VT, 05037, Ballroom

Coordinator Name: Lanie Wadelton

802-484-1226 (Thursday & Friday); 802-376-6676 (evenings and weekends)

Reading Cemetery Commission Request for Bids—Deadline July 17th; 4 PM

Town of Reading Seeking Bids for Cemetery Mowing and Maintenance

Overview: The Town of Reading is seeking bids for lawn mowing and grounds maintenance services for seven (7) town cemeteries for the period beginning April 1st, 2021 through December 31st, 2023. Maintenance of these properties includes a spring clean-up; mowing trimming and raking as needed; and a fall clean-up. The contractor agrees to furnish all equipment, fuel, materials, and labor necessary to maintain the cemetery grounds. Successful bidders will need to provide evidence of liability and workers compensation insurance.

How To Submit A Bid: Obtain and review the Request for Proposals (RFP) which includes a list of the cemeteries to be maintained, the specific terms being requested, and the bid submittal form. A copy of the RFP can be downloaded from the town website (<http://www.readingvt.govoffice.com>) on the 'Cemeteries of Reading' tab. You can also obtain a copy of the RFP by emailing Town Clerk Calista Brennan at readingvermont@comcast.net. For questions, please contact the Chairman of the Reading Cemetery Commission, Adam Kozlowski at [801-389-6070](tel:801-389-6070).

Sealed bids marked "Request for Proposal – Cemetery Mowing 2018" must be received by the Reading Town Clerk at 799 Route 106 (P.O. Box 72) Reading, VT 05062 prior to 4:00 PM on Wednesday, July 17th, 2020. The bids will be reviewed and contract awarded at the following meeting of the Cemetery Commissioners (July 22nd, 2020).

Reading Recreation Commission Summer Events

The Reading Recreation Commission is hopeful that we will be able to hold our summer events, including Puddledock Park Parties and a re-imagined version of the Outdoor Game Night.

But, of course, it is safety first. We are keeping a close eye on what the state allows for gatherings. If we can proceed, we are looking to hold an Ice Cream Social, live music, Art in the Park, s'mores night, and an outdoor movie on Puddledock Park starting in August.

Keep your eyes on Front Porch Forum and the Reading Recreation Commission's Facebook page ([Facebook.com/ReadingParks](https://www.facebook.com/ReadingParks)) for more information. In the meantime, enjoy summer and stay safe!

Reading Green Spaces Committee Report

Our Puddledock Park is currently in a holding/ growing pattern. Our committee is waiting for the grass to fill in and then we will create some beautiful perennial beds, add some cool rocks to climb or sit on and haul out the tables and benches, hopefully within the next few weeks. As soon as this all happens Puddledock park is open for all to enjoy.

We will keep you posted and in the meantime, get outside, stay safe and by all means have fun.

Reading Green Spaces Committee

Librarian's Note

Interlibrary loan services are now back up and running. If we don't own the book you want, you can search our online catalog to see if another Vermont library has it and then have that title sent to us for curbside pickup. You'll find the link on our website, www.readinglibrary.org. You will need your library card number to place a hold on the book. If you don't know the number, call me at 484-5588 or email me at reading.public.library@comcast.net and I will be happy to walk you through the process or do it for you. Something to keep in mind is that books from other libraries are generally not available to us until six months past their acquisition date.

Cordially,
Tony

Selectboard Meeting Minutes

June 8, 2020
UNAPPROVED

Meeting held and recorded with use of Zoom for public participation.

The meeting was called to order at 6:06pm.

Present at the Town Hall: Robert Allen, Gordy Eastman, Jim Peplau, Calista Brennan, Glen Towne, Esther Allen and Mary Springer. No Zoom attendees.

Robert started the meeting asking if there were changes to the agenda. No changes.

Minutes of the May 18, 2020 Selectboard meeting was approved as printed.

Treasurer's Report: As of 5-31/2020, Expenses were \$187,351.29, Revenue was \$10,446.95 and the balance in Mascoma is \$526,395.51. Delinquent taxes for 2018 and 2019 are \$35,611.35. Jim moved to approve and Gordy seconded. Calista stated that payments were being made on delinquent taxes. Report is accepted.

Action Items:

Reading Health Officer Report Covid-19: Mary gave a brief update the COVID-19 numbers across the state. There is a pop-up test site in Springfield on the 16th, please go to the Dept of Health website to sign up. Mary went over what Governor Scott has done in the last month about opening things up in the state and travel restrictions. Mary also wanted to remind everyone that tick season is upon us and to be very aware of tick infection. Additional as of July 1st everyone must compost. Landlords must provide receptacles and arrange for their disposal once a week. Trash haulers must provide recycling and trash removal education. A list of Food Scrap Haulers is on the Vermont Department of Health website. Reminder to stay safe, wear masks when in a crowd, 6' social distancing and wash your hands often. Maintain a good immunity with lots of fresh fruits and vegetables.

Highways: Glen reported that they are cleaning ditches and cutting and chipping trees. They are a few culverts to be replace. There is nothing new on the resolution of the transmission/engine power issues with the newer truck, and other towns are having the same problems, however Glen indicated that the truck was usable and somewhat improved over its original condition.

Stream Bank Project on 20 Mile Stream: – Requests for bids have gone to contractors. One of the bidders had asked out having Jason Waysville, Project Engineer look at some large stone on Jim Peplau's property to determine if would be acceptable for this project. Jim commented that Jason had been there already and would be writing an opinion Tuesday June 9th; however Jason had told Jim it would be okay to use. Contractors will be notified and told to work directly with Jim if they wished more information for quoting and using that stone.

Tyson Road Paving Proposal: – Robert suggested putting this on hold until quotes were received and a decision was made on the Stream Bank project on 20 Mile Stream. The board agreed.

Better Road Project on Spear Cemetery Road: – Some clear cutting has been done so that a "drop off" is very visible. Glen will put some posts and reflectors up as the road is not wide enough for a guardrail.

Robinson Hall Siding: The work has started. More information will be put out about the front of the building being closed as soon as the contractor can estimate a time frame for doing that end of the building.

Windsor County Sheriffs Contract: There are no changes in the contract for 2020-2021. The board signed it.

Grants for Town of Reading: Calista has been working on a guide line for applying and administrating grants for the Town. The board agreed that some guideline should be in place. Calista will work on a few changes and get back to the board.

Other: None

The meeting adjourned at 6:37pm

Next Selectboard meeting will be on Monday, July 13th in the Robinson Hall Dining Room for all.

Respectfully Submitted, Calista N. Brennan, Town Clerk

Planning Commission Meeting Minutes

June 1, 2020 – Virtual Meeting via Zoom

Unapproved minutes

Present: Stephen Strait (Chair), Ken Cox, Kevin Kaija, Kurt Voight, Kathy Callan-Rondeau, Jason Rasmussen (SWCRPC), Jean Goldsborough (Recorder).

Zoom recorded minutes link: https://drive.google.com/file/d/1_wONzpk7hk2hdi_8pzuZVh2XbOqxpdpdE/view?usp=sharing

The meeting was called to order at 7:25 pm.

NOTE: These are abbreviated minutes. **The full minutes can be found on the Town website.**

1. No changes to the Agenda.
2. No changes to the March 9, 2020 minutes. Steve approved the minutes of that meeting as is.
3. Reports: (5:35)
 - A. Mail and email – Jason sent Steve hard copies of the Zoning Ordinance.
 - B. Regional Planning Commission - No updates from Jason.
4. Update on the Hall Foundation footbridge project: (9:25) Ken reported the applicants had all other permits but need to revise the plan to meet zoning minimums.
5. Discuss Town Plan chapter drafts.
 - A. Chapter 3, Transportation
 - Rte. 106 and Tyson Road intersection visibility. There was consensus that the larger issue is more the corner of the store. The Selectboard should address the visibility issue.
 - Minimizing traffic shortcuts and speeding along N. Puckerbrush.
 - Removal of the Irene paragraph and photo.
 - Some fine tuning to roadside vegetation.
 - Junk cars – discussed as a health concern.
 - Public Transportation - Leave The Current in.
 - There is a new paragraph regarding telecommuting and expansion of broadband.
 - Bicycle and Pedestrian – add word “roadside.”
 - Goals and Actions – reference needed for #3.
 - Steve requested date annotations for the changes and comments.
 - B. Chapter 4, Utilities and Facilities
 - Education should have its own chapter.
 - Steve thinks it may be better to use fractions for survey results - percentages are misleading.
 - Town Hall comments –The newer text meets everyone’s approval.
 - Kurt asks for a statement on the new park that the Green Spaces Committee has developed.
 - C. New Chapter 5 is Education: Since this is not on the agenda tonight this will wait for discussion.
 - D. Chapter numbers will change as a result of changes.
 - E. Economic Development Chapter 9
 - Let Jason know of businesses in Town.
 - More mention of telecommuting is appropriate.
 - Added some text for the new Puddledock Park.
 - Let’s be sure the items in this part of the plan are well supported by the survey responses.
 - Minor changes to text for communications expansions and maintaining the village center.
 - Discussed whether to summarize the important ideas that came from question 40 in survey.
6. The July meeting will be on Zoom. Work on the Chapters for Education, Housing and Natural Resources. Jason recorded the meeting. Jean discussed the possible options for storing the recordings and making them available to the RPC and/or the public. Some brief discussion on the advantages of the virtual meetings which might actually encourage more public input.
7. Kevin announced the Energy Committee did receive the grant of \$1,150 to do water testing in the village center.
8. Kevin motioned to adjourn, Kurt seconded. All were in favor. Meeting adjourned 8:54 pm

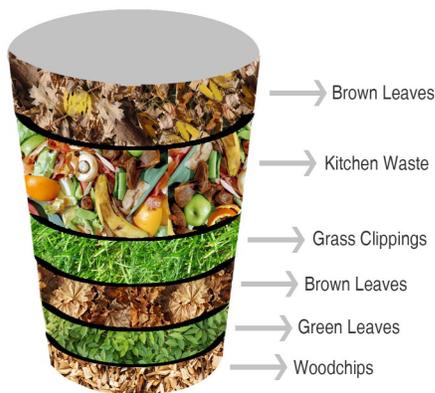

Next Meeting – Monday, July 6th at 7 pm. Zoom link from Jason.

Respectfully submitted,

Jean G. Goldsborough, Recorder

Get Ready to Compost

As of July 1, 2020, food scraps are banned from the trash. Compost them in your backyard, bring them to the transfer station or pay for pick up.
From Garbage to Garden.....

Happy 4th of July

Celebrate Safely

DID YOU HOLD OFF FILING YOUR INCOME TAXES??

Don't forget to file form HS-122 Vermont Homestead Declaration AND Property Tax Credit Claim by **July 15, 2020**

Homestead Declaration- Reading parcel owners who have their domicile in Reading are required to file a Vermont Homestead Declaration **this year** on or before July 15!

This is the criteria for determining income sensitivity eligibility for any residential state-wide educational property tax adjustment. Individual circumstances may require filing for an income tax extension. Remind your tax preparer of the annual Vermont Homestead filing requirement and the date for filing. **There are no extensions for the Homestead Declaration** Late Filings are subject to late penalties.

Per the Selectboard there will not be any waiving of penalties!

Non-residents- These parcel owners pay the non-resident state-wide education tax only adjusted for the Local CLA. **Impact of not filing Homestead Declaration-** If you have your domicile in Reading and fail to file a declaration, you are subject to paying any difference between the residential and non-residential education tax plus a substantial penalty.

Health Officer Note.....

Stay safe, stay masked in crowds, and **WASH YOUR HANDS OFTEN!**

VICTORY GARDENS were started at the end of World War I during the social distancing that accompanied the global 1918 Spanish Flu pandemic. Many people are experiencing a disruption in our food supply chain now. Even if **you** aren't struggling to get enough food there are many good reasons to start a food garden.

The truth is growing nutrient-rich fruits and vegetables is one of the best health insurance policies you can take out. People who grow more vegetables tend to eat more vegetables; people who eat more vegetables tend to be healthier; and healthy people are far less likely to get seriously sick with COVID-19. Visit the **Reading Greenhouse** to purchase seeds or plants that are already started. It's not too late in the season.

Here are ten good reasons to start your garden today.

1. Self-reliance
2. Sense of Purpose
3. Children can learn about horticulture
4. Cleaner, Safer Food
5. Get more fruits and Veggies in your Diet
6. Reduce your risk of chronic Disease
7. Get outside
8. Reduce your Grocery Bill
9. Build up your strength
10. Grow it forward.

Anxiety is high due to COVID-19 and the rioting that is occurring throughout many states. Anxiety and stress raise the hormone Cortisol in your body causing a variety of symptoms like high blood pressure, changes in mood, rapid weight gain...just to name a few. Below are a few ways to reduce your anxiety

1. Assess Your Nutrition Are you drinking enough water? How many brain-healthy foods have you been eating each day? A healthy outside begins on the inside.

2. Work Your Body It's no secret that exercising releases endorphins that make us feel good. As you improve your physical health, your mental health will improve, too.

3. Practice Gratitude Did you know that practicing gratitude causes real changes in your brain that enhance brain function and make you feel better? If you want your brain to work better, practice being grateful for the good things in your life.

4. Shake Up Your Perspective Change your life by changing your mind. The power lies in challenging your old perspective – begin focusing on the positive.

TICKS are out and biting. When walking in the tall grass or hiking wear long pants and long sleeve shirts. Check your body carefully when you go inside to make certain there aren't any hitch hikers. Check your pets as well to make certain they aren't bringing them in your house.

Stay safe and well.

Congratulations to Woodstock High School Senior, Nicholas Bishop, this year's recipient of the 13th annual Paul Robbins Community Service Award. Nicholas will be attending the University of Connecticut for a degree in Engineering. Nick's community service has been with the Reading PTO, Reading Rec Commission, Reading Fire Dept. and as a tutor at the High School for underclassman. Best wishes to you from all of us.

Reading Historical Society—Preserving the past for the future

Study the History of A Different Pandemic

In light of the current pandemic, we all learned or were reminded that the country was hit with a different pandemic 102 years ago, in 1918.

Stop and think for a minute of how things were different then. Much less technology, for one thing. Perhaps people relied on social gatherings much more than we do now. There was an understanding of how a virus spread, but probably the people struck with that pandemic didn't know as much as we do now.

According to the Vermont Historical Society, 43,735 people became sick, and 1,772 people died during the 1918 pandemic, also known as the Spanish flu. In the 1910 census, the population of Vermont was almost 356,000. The numbers of infected and dead are much lower now, but we still need to be careful.

In 2122—102 years into the future—Vermonters will look back at this pandemic as part of their history as we look back on the 1918 pandemic as part of ours. What will they see? What will they learn from this experience? Will how we handled the coronavirus be a model for future generations?

For more information on the 1918 pandemic in Vermont, visit <https://vermonthistory.org/flu-epidemic-1918>.

Stephen D'Agostino

To The Community Members of Reading--- ***Thank you for all the help!!***

It was great to see so many people out and about on Green Up Day. A lot of roadside trash was put in the proper place, the transfer station! I thank you all for your enthusiasm and effort.

A special thank you to the following people: Calista Brennan, Esther Allen, and Stephen D'Agostino who helped coordinate communication pieces, Kevin and Lisa Kaija for coordinating the scavenger hunt, Kerry Rosenthal for serenading us at our 50th Anniversary celebration, and the Reading Recreation Committee for sponsoring the music and the scavenger hunt prizes.

Green Up Vermont is a non-profit organization, which means they must raise the funds for a large portion of their operating expenses. Please consider supporting their efforts at www.greenupvermont.org.

Lastly, please email me information about your Green Up Day experiences which helps the organization with sponsorships: how many bags did you fill, what roads and estimated mileage did you clean, how many tires did you collect, what was the strangest item you collected, did you find any areas that need extra attention, any feedback to improve Green Up Day going forward?
